**1) What did news reporters initially believe had occurred when the North Tower was hit?**

**2) After the South Tower was hit, how did the belief of news reporters about what was happening change?**

**3) During the news coverage (specifically 53:15 - 54:05), the reporter receives word that there is a fire at the Pentagon. If you were watching the news in real time, what would you think about what you are viewing? Would you still view these incidents as accidents?**

**4) Why do you think the reporters were unsure as to what they were seeing initially when the South Tower collapsed?**

**5) In the ABC news coverage (specifically 1:39:40) who is mentioned as being a possible perpetrator of the attacks, and why was ABC speculating that he might be responsible?**

**6) What are you feeling after watching the 911 call from the South Tower made by Kevin Cosgrove?**
