

B.C. Forbes Interview

Directions: While watching the address given by B.C. Forbes shortly after the market crash, answer the questions analyzing why he might make these statements.

1) What does B.C. Forbes blame for causing the “Wall Street Panic?” Do you believe he is downplaying the severity of the situation?

2) Why do you think B.C. Forbes is encouraging people to buy stocks? Do you think he is being misleading?

3) Do you think if people did what B.C. Forbes advised, the situation would have fixed itself?
